Ratings

Parker	91	12/1/2008	Crisp, white peach, white currant, and quince aromas accompanied by strong mineral undertones...4-6 years of aging potential or even longer.
Tanzer	91	5/1/2009	Bright gold. Potent orchard fruit and floral scents are complemented by smoky lees and sweet butter. Finely etched pear and guava flavors coat the palate, taking on a spicy quality on the back end. Blends richness and energy deftly and finishes with excellent clarity and length.
